A human being distinguishes himself from others by his way of living.
But that's no reason to be self-conscious about it.
True greatness come from within.
At just three years old, he is already bursting with personality.
His name is Kiichi, and he is the protagonist of this story.

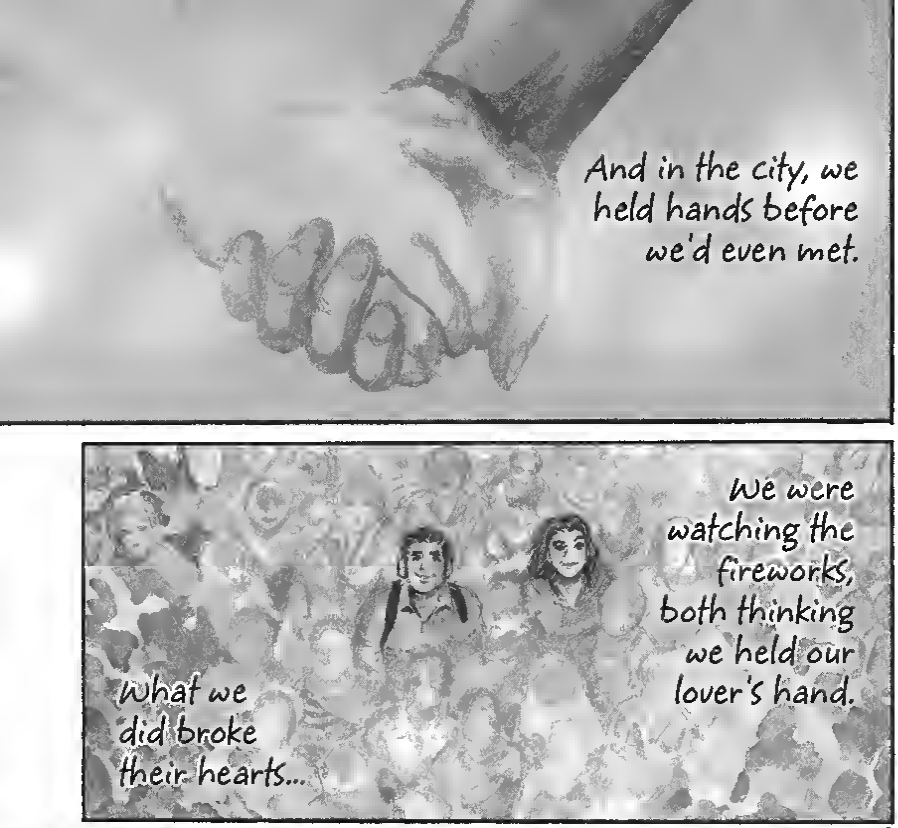
Kiichi!
Listen to this wonderful story.

Your daddy has wanted to tell it to you...
...so many times.

So there's Daddy, Mommy and Kiichi.



And in the city, we held hands before we'd even met.
We were watching the fireworks, both thinking we held our lover's hand.
What we did broke their hearts...
But in the end, it led to your birth, Kiichi!

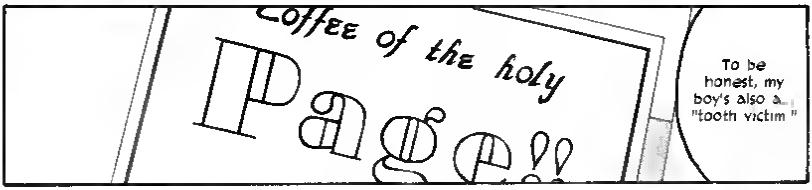
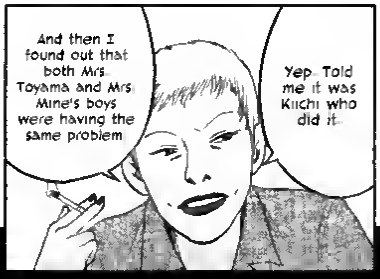
So you're saying the new kid Kiichi, three years old...
knocked the teeth...
...out of a four- and a five-year-old boy?



Coffee of the holy
Page!!
To be honest, my boy's also a "tooth victim"



And then I found out that both Mrs. Toyama and Mrs. Mine's boys were having the same problem.
Yep. Told me it was Kiichi who did it.

Well... That's when the three of us decided to have a word with the staff over there

None. See, it must've been around the beginning of June when I found a bite mark on his thigh.
How many did he lose?
HO!
Another kid bit him?

"It's entirely our fault, we should have handled it better. We sincerely apologize."
Or so they said!
"We'd prefer it if you didn't automatically assume...
"... that your child was the victim...
"... simply because they themselves said so
We asked her to go have a word with Kiichi's mother...
So anyway, you know little Arisa's Mom, the Filipina who lives in the same building as Kiichi and his folks
It made no sense!
You'll have to excuse me! I just got Kiichi out of the bath. Is something wrong?
Y-yeah it's a long story
501
Someya
DING DONG
Who is it?
Good evening! This is Masa, Arisa's mom!

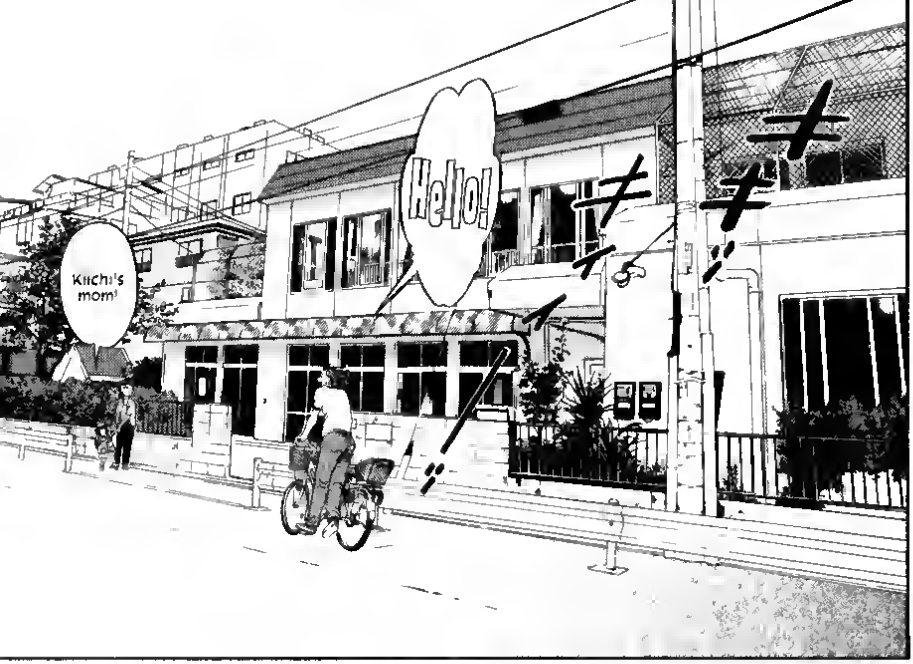
Kiichi, no!
You'll catch a cold, honey!

What? What'd she say?
But it was the comment of Arisa's mom that took the cake.
Well, he was asking for it, wasn't he?
Dear Lord!
Twenty-odd bite marks?!

...the teachers never noticed when Kiichi got bitten.
According to Arisa and my boy...
About a three-year-old child?!
EWW WW...
"Kiichi's so sexy!"

But...
...he never cries!
It was Kiichi who started it!
Kiichi takes whatever they dish out, without making a sound.

I'm sooo-rrry!
I over-slept!
Sorry!
Sorry!
I hate you, Brother!
WAAAAH!
WAAAAH!
Phew!



Hello!
Kiichi's mom!

I hope Kiichi didn't cause any problems today?!
Hi, it's Mrs. Someya! Sorry I couldn't come earlier!

Sorry!
We were waiting
I was waiting for you. We need to talk.

Well, I'm sorry either way!
No, God, no! We'll talk later. Kiichi's waiting for you inside.
Did he?
I'm so sorry! Did Kiichi do something again?

I'm terribly sorry!

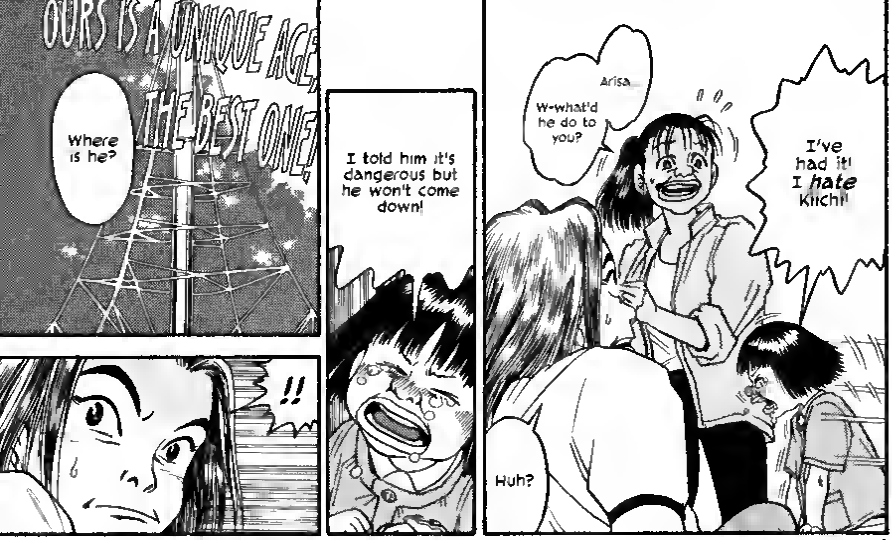
Bad Kiichi!
Get down!
Get down from there, Kiichi!
Listen to what I say!
It's like my life's become one long apology, a real "sorry life."
Something's been scribbled on, something's broken, it's always Kiichi
Every time a child cries, it's because of Kiichi.
I like Kiichi He's very manly.
Thanks, but it's his manliness that's the problem.
A firm attitude... Our concern...
Don't you fret
'course, all that makes me enjoy my afternoon nap even more

MY APPEAL TO YOU!
God, I wish he'd shut up!
STRUCTURAL REFORM!
Well...
REPEATED CRITICISM OF GOVERNMENT POLICY!
So, what'd you want to talk about?

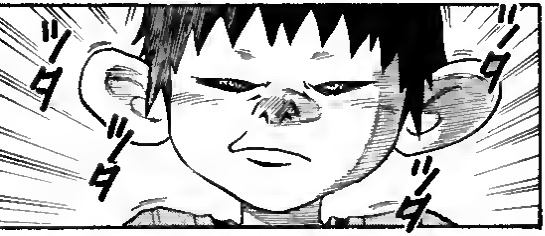
MUNEZO SUZUKI!
A MAN YOU CAN UNDERSTAND, CLEAR AND STRAIGHTFORWARD!
MUNEZO SUZUKI, LADIES AND GENTLEMEN!
MUNEZO SUZUKI
THIS IS NOT A PREPARED SPEECH. I'M SPEAKING TO YOU AS ONE CITIZEN TO ANOTHER.

WE'RE OPEN TO EVERYONE'S OPINION!
WRITE TO US WHENEVER YOU WANT!
Did they make you do this again?
Mommy!

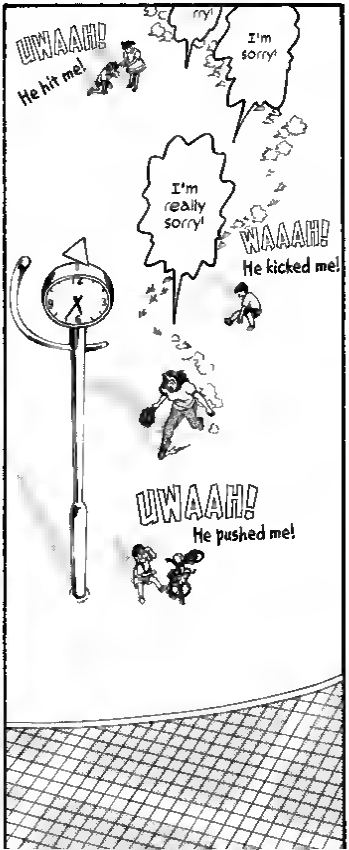
All right then...
It's okay. You can ask me anything. Interview time!
If you bungle the job, it'll be your child who suffers the consequences
It's really not easy being friends with Japanese mothers...



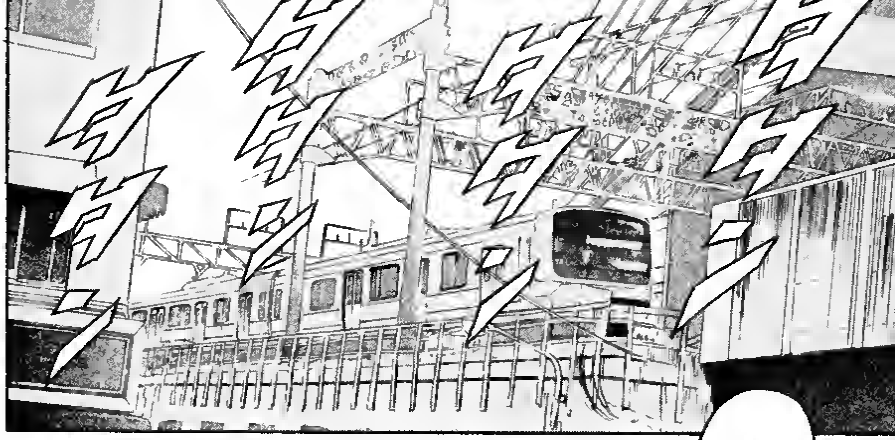
OURS IS A UNIQUE AGE,
THE BEST ONE!
Where is he?
I told him it's dangerous but he won't come down!
!!
Arisa
W-what'd he do to you?
I've had it! I hate Kichi!
Huh?



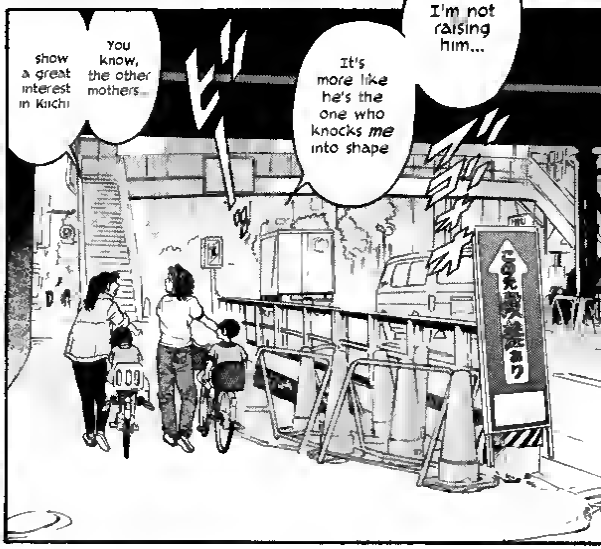
MY NAME IS MUNEZO SUZUKI. THANK YOU VERY MUCH!!
Kichi!



UWAAH! He hit me!
I'm sorry!
I'm really sorry!
WAAAH! He kicked me!
UWAAH! He pushed me!

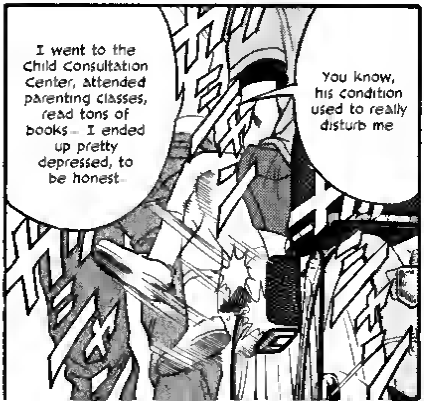


As a disaster prevention measure?



I'm not raising him...
It's more like he's the one who knocks *me* into shape
You know, the other mothers...
show a great interest in Kichi

I don't think so The main thing seems to be why Kichi never cries



I went to the Child Consultation Center, attended parenting classes, read tons of books – I ended up pretty depressed, to be honest
You know, his condition used to really disturb me

Tell me 'bout it! He hasn't even said his first word yet. That'd worry any mother
I mean, children cry, that's their job
カシャ
カシャ
カシャ

Then one day I got a call from my mom.

After that I was like, "whatever."
This uncle is now the principal of an elementary school in Okinawa.
She told me Kiichi was exactly like her big brother, my uncle, when he was a child.

Sounds like a lot of trouble
The whole problem stems from his birth. It's all my fault, really.
"His birth"...? How d'you mean?
So I try my damndest every day to keep him from being a nuisance to other people
Of course, the fact remains that I'm his mother

I was in my last month of pregnancy and we knew when he was due, but the *yuta* recommended a different date.

See, I'm not normally superstitious, but there's a *yuta** in my family, and I chose the date of Kiichi's birth based on a prophecy she made.

Kiichi was born... by Caesarean section.

I really don't know what got into me back then...

* Okinawan shaman
See http://en.wikipedia.org/wiki/Ryukyuan_religion#Yuta

She predicted that if I gave birth to my child on that particular day, he would grow up to be a man of unparalleled virility.

Kiichi Someya

Kiichi, your daddy'll be home late tonight.
Wanna help?
I've got to finish up the leftovers, so it's bacon and eggs for you.
Right. Plates, chopsticks, spoons and forks!

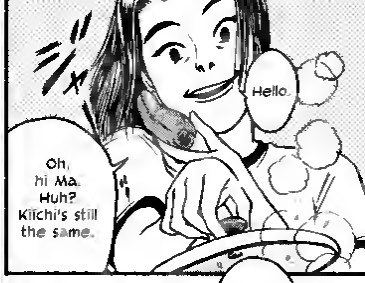
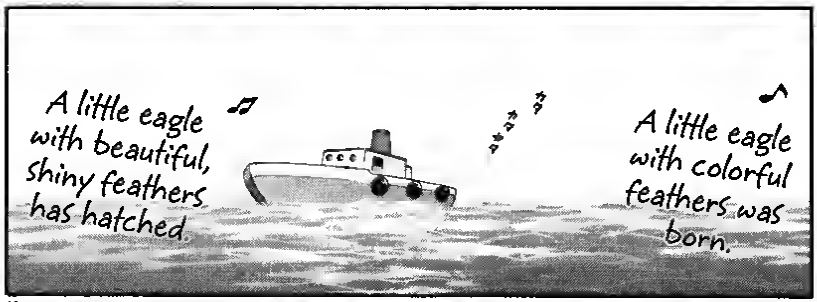
Get the phone, Kiichi.

You remember Okinawa?
Your grandma in Okinawa invited us to go swimming!
Kiichi...



Hello.
Oh, hi Ma. Huh? Kiichi's still the same.

Sure. I'd love to eat it. Just send it here.
This summer? I don't know yet. We'll go if we can.



A little eagle with beautiful, shiny feathers has hatched.
A little eagle with colorful feathers was born.

Life is a gift. Good morning, Kiichi.

Do you even know what it's called?

What kind of idiot comes up with a name like "Super Satsuma'age*"?! Huh, Kiichi?!

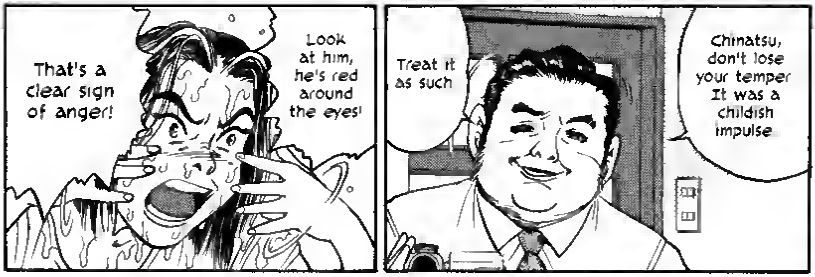
"Gattender: The Robot of a Better World." It takes place in Shibuya!
In fact, the main characters a super villa—
Aieee!



That's a clear sign of anger!
Look at him, he's red around the eyes!

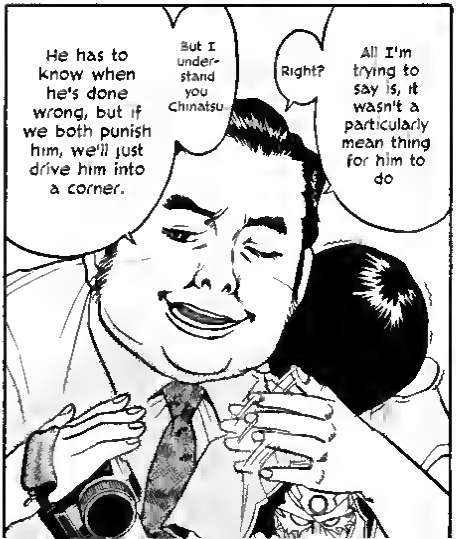
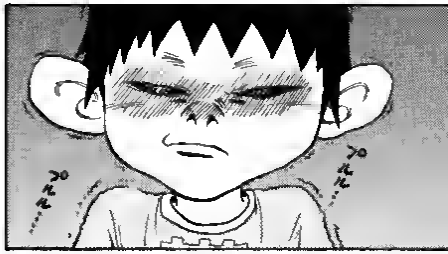
Chinatsu, don't lose your temper It was a childish impulse



He has to know when he's done wrong, but if we both punish him, we'll just drive him into a corner.
But I understand you Chinatsu
Right?
All I'm trying to say is, it wasn't a particularly mean thing for him to do



Yo are...

So when something like this happens, I'll be on Kiichi's side

She told me it took quite a bit of time and effort, finding a hospital that would do a C-section for that kind of reason
You're kidding! A prophecy?!
Oh My!

GOOD MORNING!
Ack! His mom!
Is Kiichi not at the kinder-garten today?
What're you talking about? Kiichi loves his parents!
I wonder if he even knows he has parents, I wonder if he feels any attachment to them at all
To top it off, the boy has a habit of disappearing at will
Exactly.
I mean, children his age usually stick to their parents like a bur, right?

So How was Kiichi?
Jeez, I bet.
As usual, we sent Arisa's mom to get more information

He was yelling "You're under arrest!" the whole time, she said.
"Under arrest"?
Yeah, apparently, he can't get enough of police officers now.

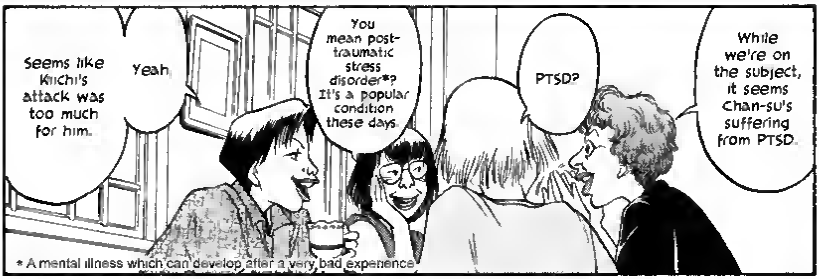
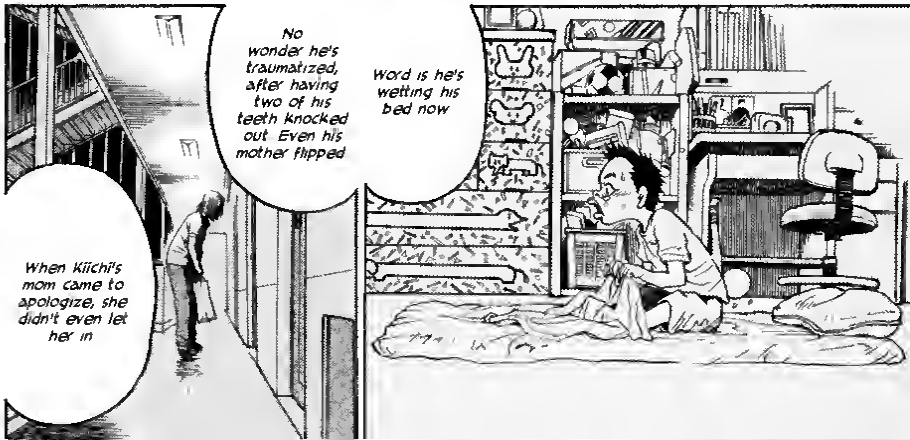
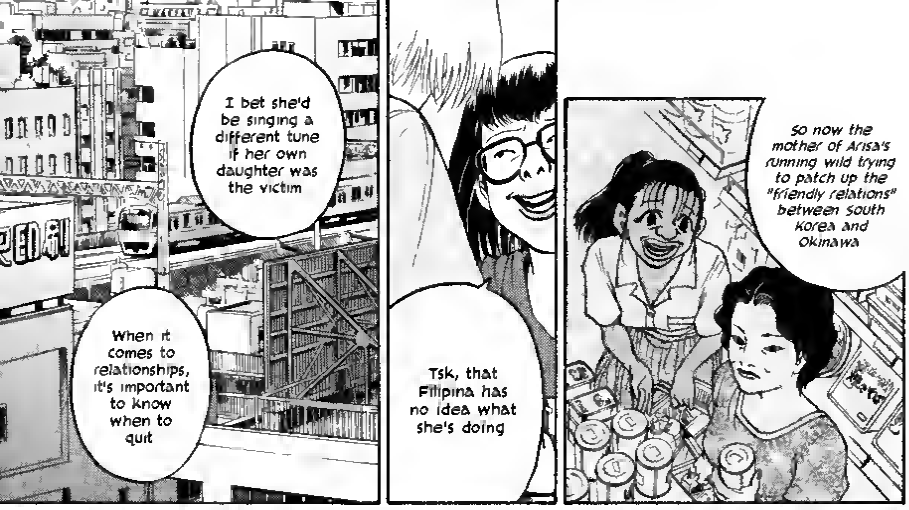
She apologized to everyone, not just the people in the restaurant
I heard two of them had ruptured eardrums
Her son did beat the daylights out of five grade-schoolers
What a pair!
Really?



Seems like Kiichi's attack was too much for him.
Yeah.
You mean post-traumatic stress disorder*? It's a popular condition these days.
PTSD?
While we're on the subject, it seems Chan-su's suffering from PTSD.
* A mental illness which can develop after a very bad experience



When Kiichi's mom came to apologize, she didn't even let her in
No wonder he's traumatized, after having two of his teeth knocked out. Even his mother flipped
Word is he's wetting his bed now



I bet she'd be singing a different tune if her own daughter was the victim
When it comes to relationships, it's important to know when to quit
Tsk, that Filipina has no idea what she's doing
So now the mother of Arisa's running wild trying to patch up the "friendly relations" between South Korea and Okinawa

I'll give it my best tomorrow, but today I'm not his mother.

I see, you'll be late tonight Okay

Yeah. But...
There's a detergent you can buy by mail order that's capable of removing blood stains. They use it in hospitals after the operations.

They're like sisters
Huh?
Hey now! Don't say that!
"I don't like Kiichi, Remi."
It's got Kiichi's blood on it?

We thought it'd be good for her development since she loved that plushie as if it were her real sister, but...
After all, we're not allowed to keep pets in our building.
...we bought her that weird little plushie named Remin and told her it was her little sister...

that the karate dojo Chan-su goes to is owned by the whatchamacallit cult.

Kiichi did something bad again, didn't he?
Let me guess...
Yesterday I saw the mothers of Kiichi and Kanan at the market under the railroad bridge...
and Kiichi's mom was crying!

What's she say?
Actually, no. Apparently Kanan's been talking about nothing but Kiichi lately.

You know, Mom... Kiichi's a really nice boy.

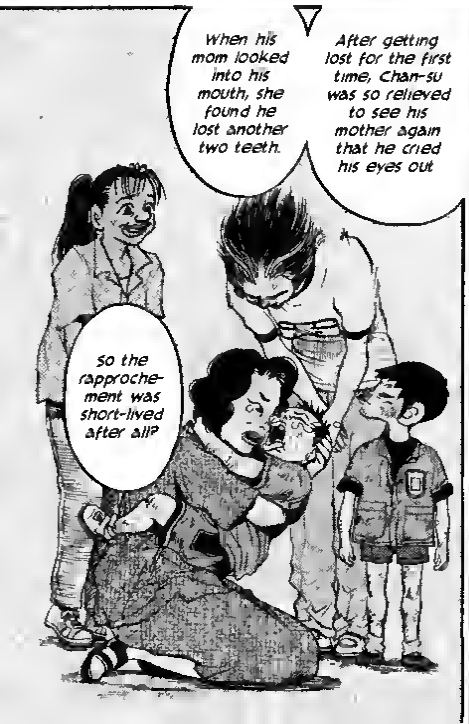
It seems that they arrived at a bad moment and saw the whole thing.
Who did?



When his mom looked into his mouth, she found he lost another two teeth.
After getting lost for the first time, Chan-su was so relieved to see his mother again that he cried his eyes out
so the rapproche-ment was short-lived after all?

The mothers of Chan-su, Kiichi and Arisa.
Chan-su lost again?

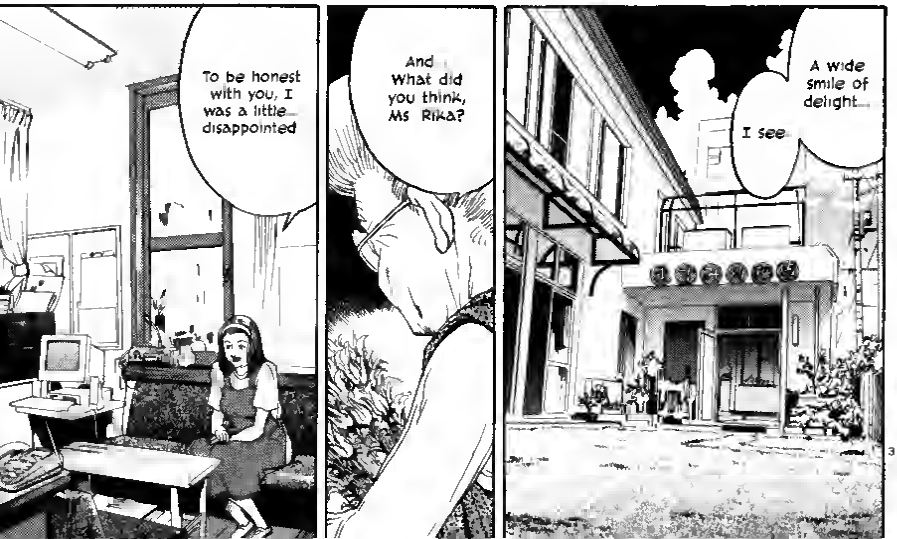
Kiichi *by* Hideki Arai

The hungry monster Greedy-guts...
...is gonna eat all of Kiichi's lunch!
Chapter 4
Eek!
Poo-poo Mami!
Oh.
Poop Mami!

Stop it! Kiichi!
You mustn't waste food!
2
Mami's mine!
Mami!
No, stupid Mami! Mami!
My eyes!

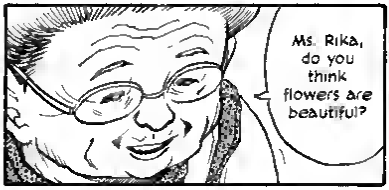
Chapter 4



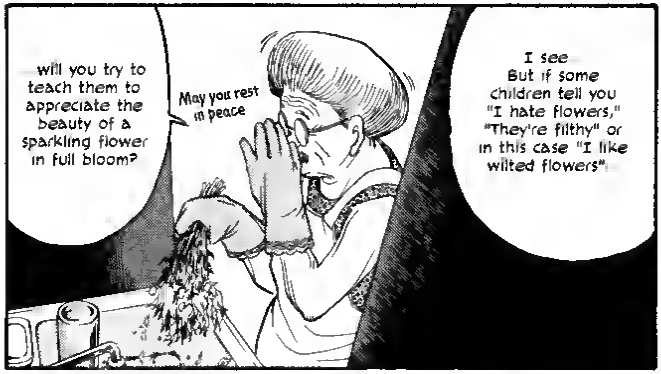
To be honest with you, I was a little... disappointed
And what did you think, Ms Rika?
I see...
A wide smile of delight...

Director! I'm afraid I might not be the right person to take care of Kiichi...

At what?
My lack of experience and ineffectiveness, I guess...



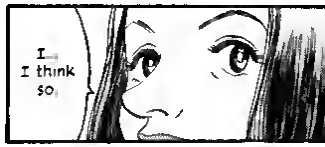
Ms. Rika, do you think flowers are beautiful?



...will you try to teach them to appreciate the beauty of a sparkling flower in full bloom?
May you rest in peace
I see. But if some children tell you "I hate flowers," "They're filthy" or in this case "I like wilted flowers"...

Uh... Yes. That's why I love them

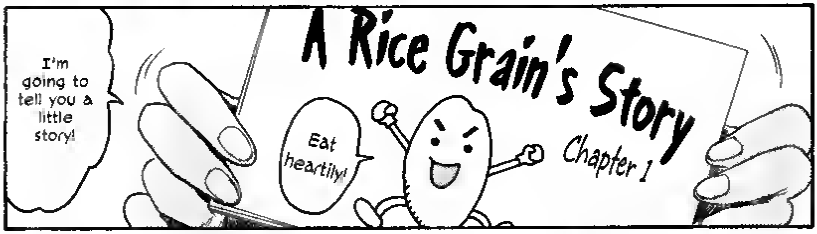
Incidentally, I don't like chrysanthemums
Dealing with children is like facing ourselves in the mirror.



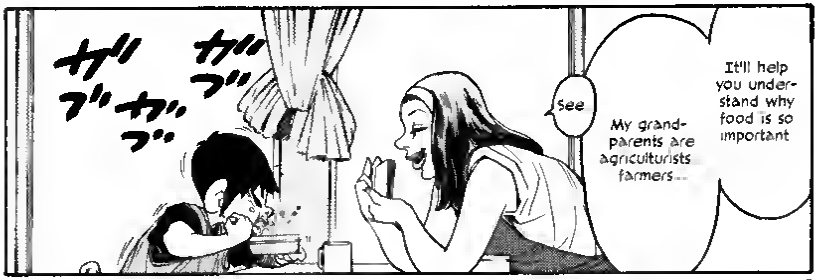
I... I think so.

Ms. Rika, as I always say...

LET'S EAT!
LET'S EAT!!



I'm going to tell you a little story!
A Rice Grain's Story
Chapter 1
Eat heartily!



ガブガブガブ
See
My grandparents are agriculturists farmers...
It'll help you understand why food is so important

"A long time ago, I was a little seedling."
Hey, listen!

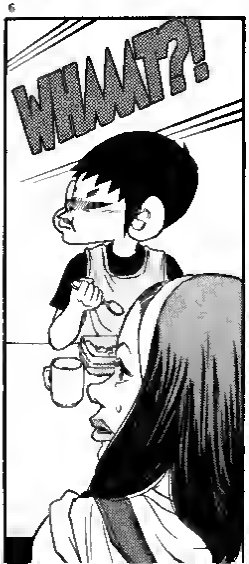
After reflecting on what happened yesterday I've decided to go without lunch today!

Nuh-uh!
Aaaahh! Miss Mami, have you forgotten to bring your lunch?
You on a diet?

MEEEE!
MEEE!
Me!
Me too!
Me!
Me!
Me too!
Who thought yesterday's "lunch spitting" was fun?!

"...poo!

"Splash, splash I was in the paddy's...



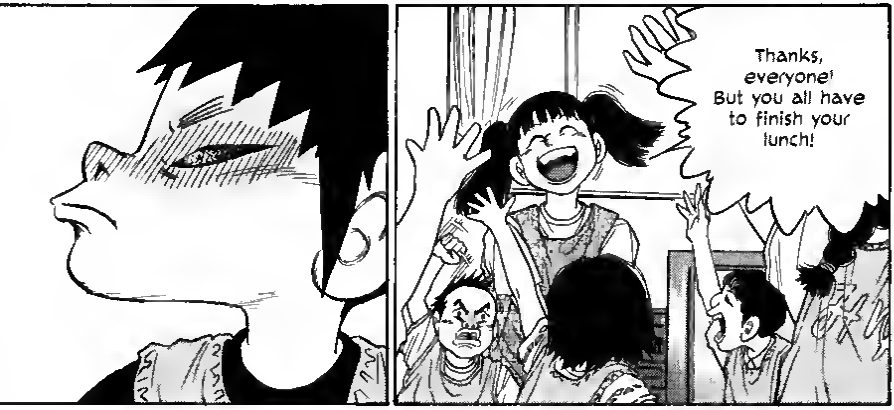
WHAT?!

Because I think it's rude! That's why I who did the spitting have no right to eat lunch today!

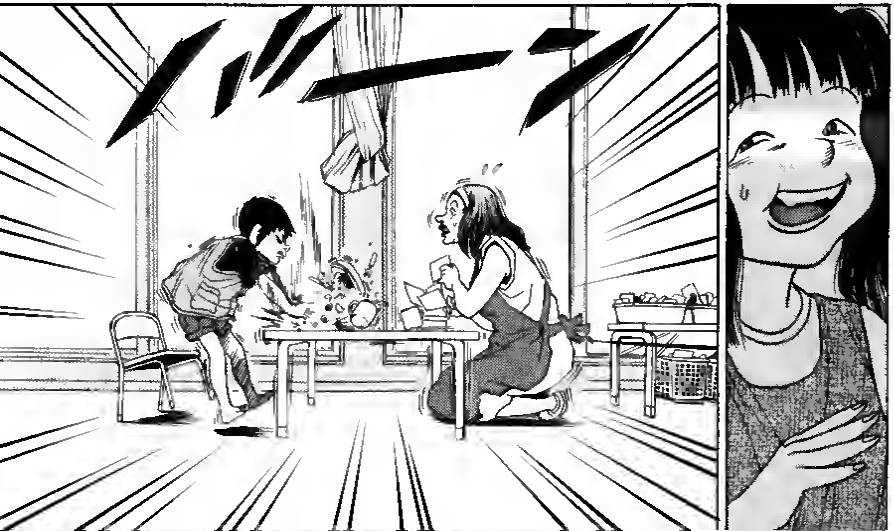
Buuut, that was a bad thing, even though it was fun!

Why?

I'm not eating !
Me neither!
You have to eat, Remin
Me neither !
Mami! I'm not eating either!
You'll die!



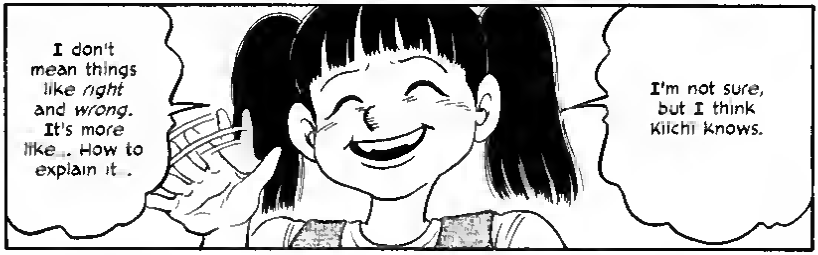
Thanks, everyone! But you all have to finish your lunch!



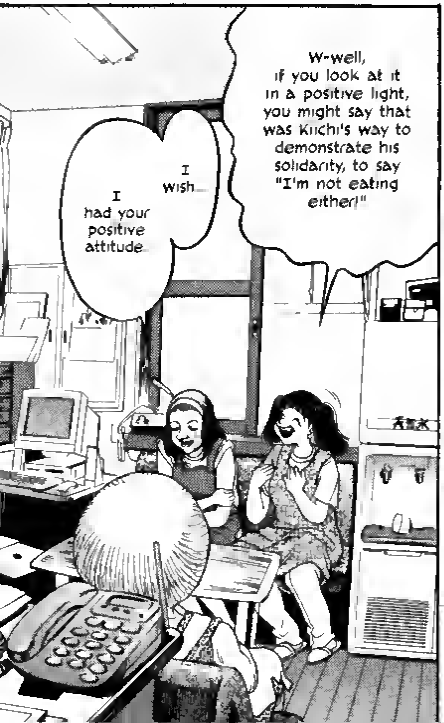
Wait, Kiichi!
Hey!
Look me in the eye!
AAAAAHHH!
SLIDE
Apologize!
Kiichi, that's bad manners!

Who... do you want him to apologize to?
Ms. Rika...

I see
Well, Ms Mami, what do you think about it?
His lunch itself?
Um... And after that...
Then...
The food producers
The farmers
His father
His mother

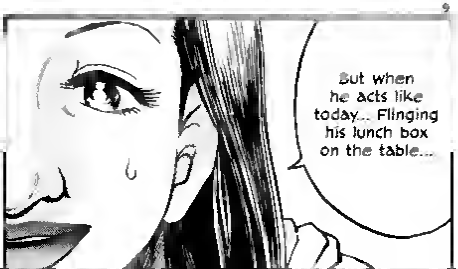


I don't mean things like *right* and *wrong*. It's more like... How to explain it.
I'm not sure, but I think Kiichi knows.



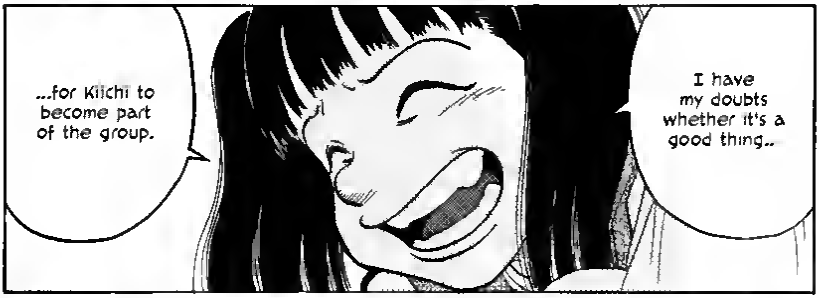
W-well, if you look at it in a positive light, you might say that was Kiichi's way to demonstrate his solidarity, to say "I'm not eating either!"
I wish... I had your positive attitude.

But if he can communicate with everyone else through means other than reason, chance is his mind will clear up on its own.
To put it in extreme terms, certain children are impervious to reason and they remain that way their whole life. Maybe Kiichi's one of them.

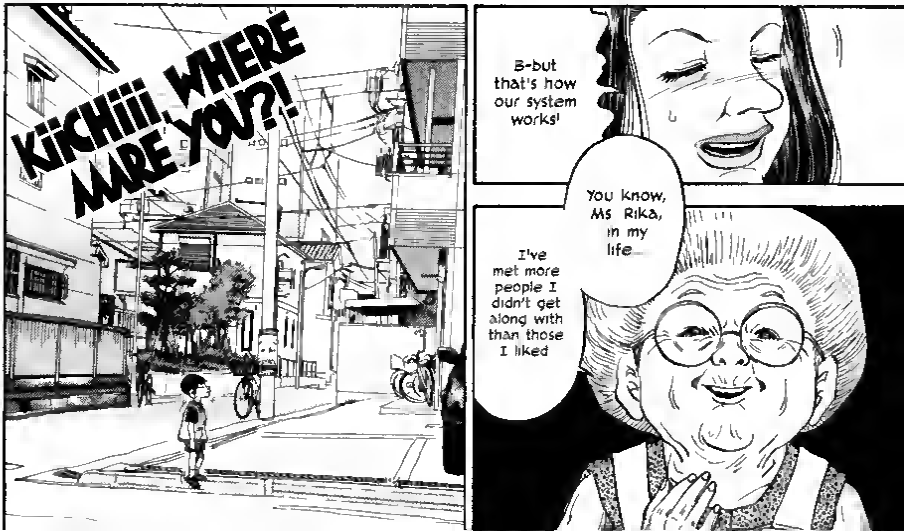


But when he acts like today... Flinging his lunch box on the table...

W-what do you mean?
Oh, but when I think about it I'm not so sure anymore...
Maybe
I've been thinking that, too!
Right. So it's your opinion that Kiichi should be allowed to join the group?



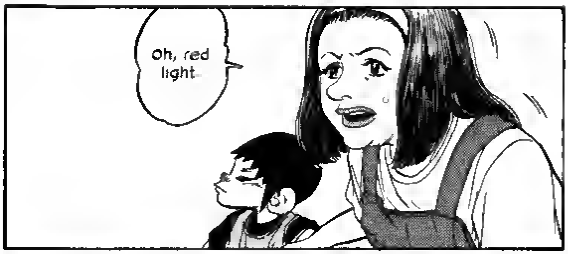
...for Kiichi to become part of the group.
I have my doubts whether it's a good thing...



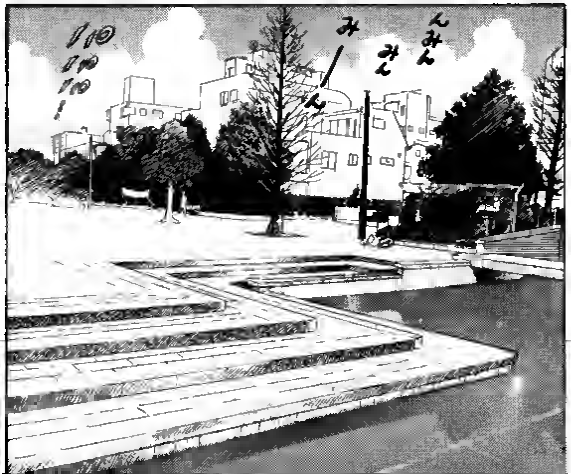
KIICHIII, WHERE ARE YOU?!
B-but that's how our system works!
You know, Ms Rika, in my life...
I've met more people I didn't get along with than those I liked

Walk slowly with one arm in the air
YEEESS!
Come on, Kuchi!

As always, watch out for the pond, treat the flowers and trees with care and have a lot of fun!
OKAAY!



Oh, red light



みーん

you can go play with the others
Kiichi, if you promise me to behave...

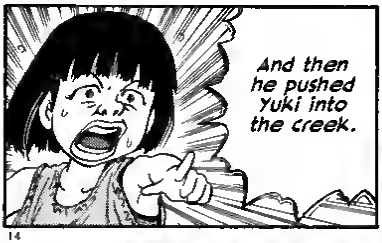
HA HA HA HA
HYAH HYAH HYAH

I trust you! So don't fight or wander off on your own!
Waah, Kiichi's here!

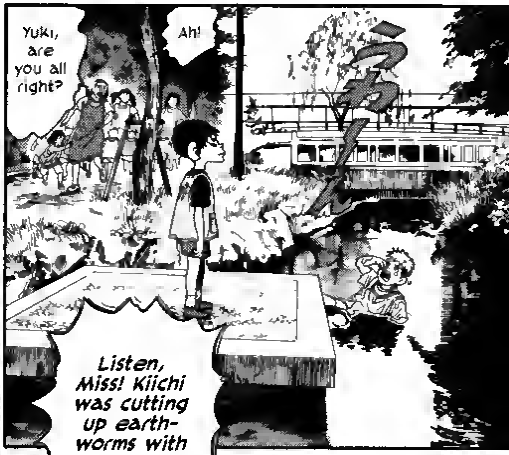
Oh, Ms. Takako.
You're tired, aren't you, Ms Rika?
No, it's nothing. I'm totally fine!
Really!
I heard you and Ms. Mami had a little dispute yesterday.
Okay, who wants to play with me?
MEEE!
MISS RIKAAA!

Miss Rika! Kiichi's done something horrible!
Rika!

Kiichi! What have you done?!
I know! You see, Miss...!



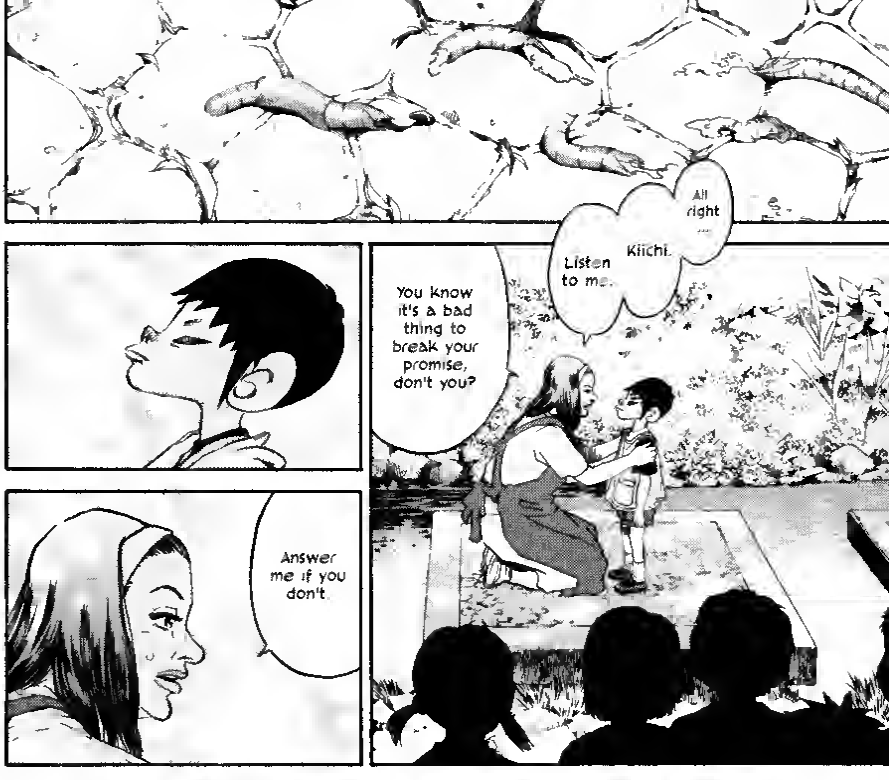
And then he pushed Yuki into the creek.



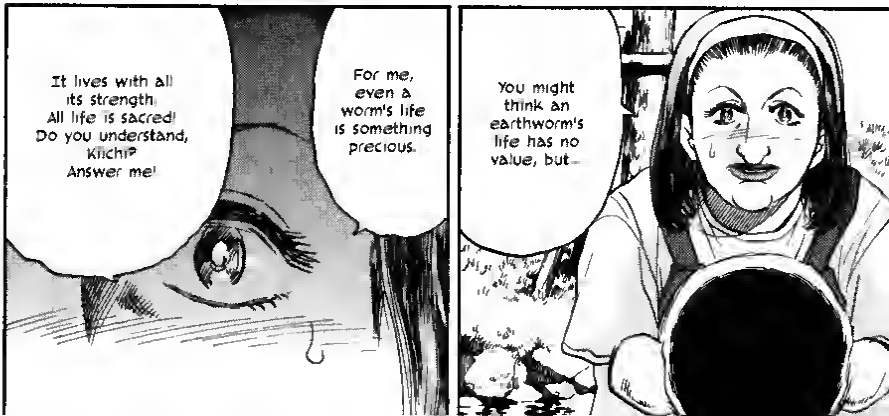
Yuki, are you all right?
Ah!
Listen, Miss! Kiichi was cutting up earth-worms with a stone.

Kiichi pushed me!

Poor
Poor Yuki!
Stupid Kiichi!
You know, Kiichi, I used to play with earthworms a lot when I was a kid, too...
You stay out of this, Ms. Mami!

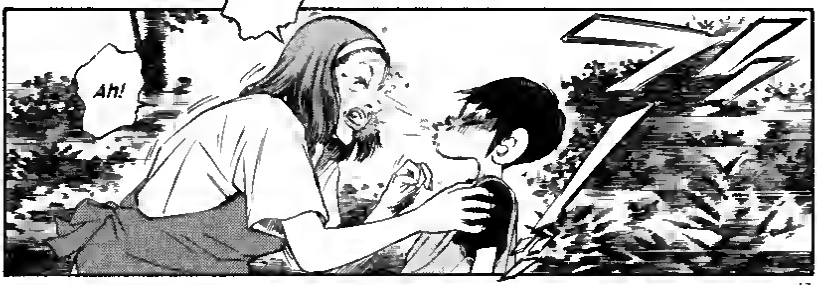


All right...
Kiichi.
Listen to me.
You know it's a bad thing to break your promise, don't you?
Answer me if you don't.

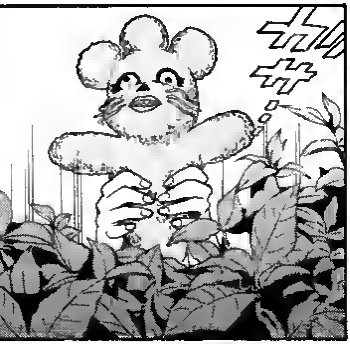


It lives with all its strength. All life is sacred! Do you understand, Kiichi? Answer me!
For me, even a worm's life is something precious.
You might think an earthworm's life has no value, but—

What's your answer?
Kfichi!



Ah!



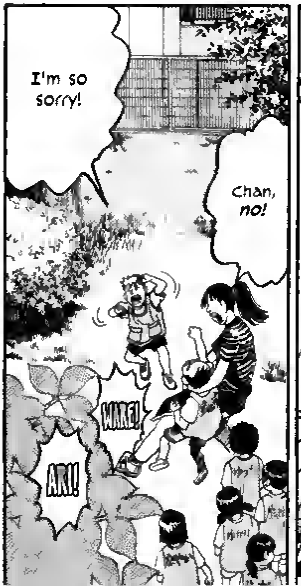
I... I hate you!
Ms. Rika!
...

Ah! Remin!
Kanan !

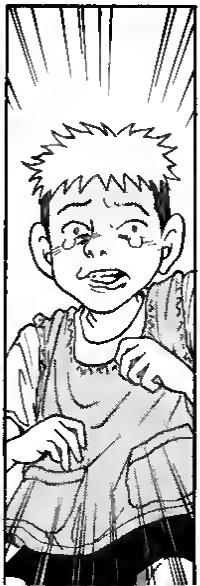
Is that true, Kanan?
Remin never lies!

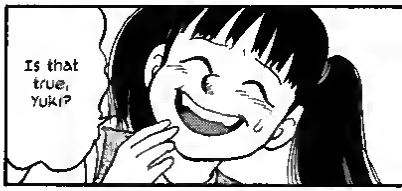
"I saw everything, Remi. It was Yuki who cut up the earthworms, Remi."

"Yuki fell into the creek by himself running away from Kiichi, Remi."



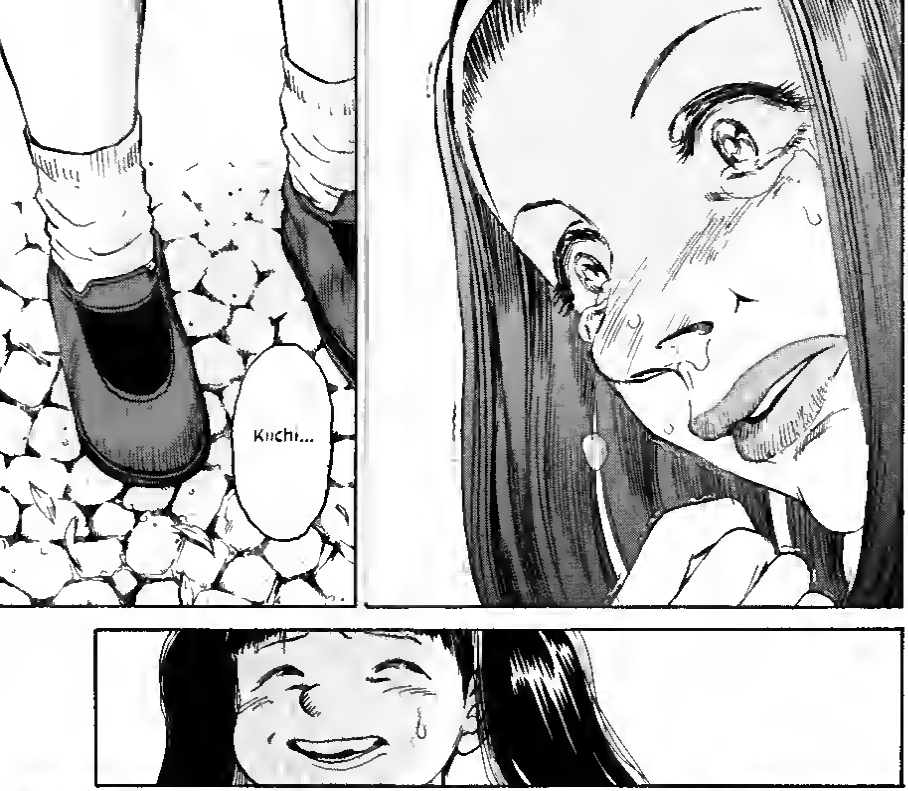
I'm so sorry!
Chan, no!
WAKE!
AH!





Is that true, Yuki?

Yuki, damn you! I'll show you my karate! Asshole!



Kuchi...

I... I'll quit being a teacher...

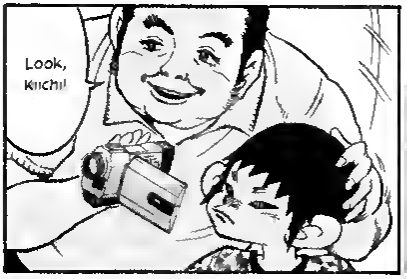
How much do you think we had to pay for the broken toys alone, huh?

A relaxing meal with your family at a restaurant...
That's also a form of modern happiness, don't you think, honey?
One that cost us a fortune!



Look, Kuchi!

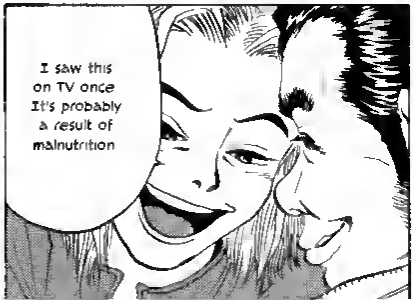
A car! A car's coming! Watch out! Save him!

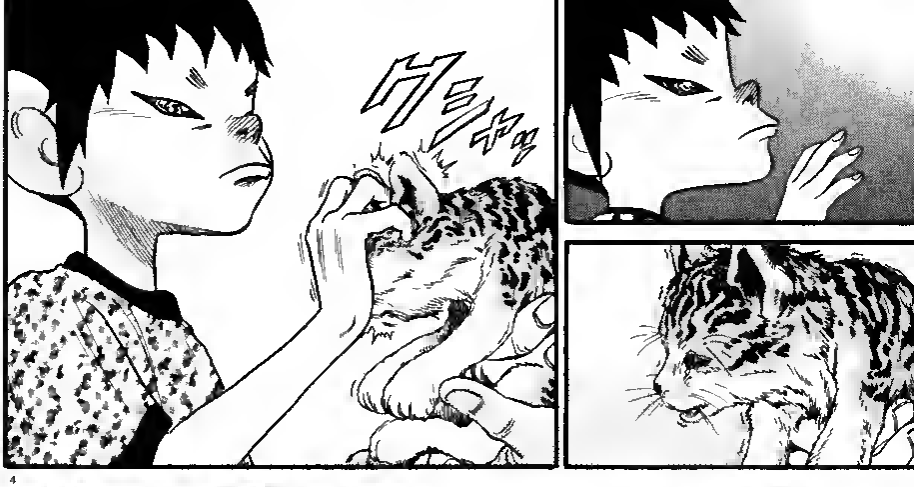
There, there, it's all right, it's all right!
Is he a stray ?
I think so
Or maybe he was separated from his parents and got lost

Kiichi, come on! Why don't you try to pet him? Isn't he cute?

There's something wrong with his eyes



I saw this on TV once It's probably a result of malnutrition



ガジガジ

4

Gently, Kiichi, you have to do it gently!
No! Not like that!
MEOWW!

Chapter 5

We let ourselves get carried away, but we can't keep him
Our apartment doesn't allow pets

What should we do, Goro?
Hm ...?

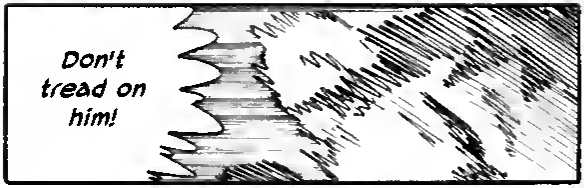
And my parents have had a grudge against cats ever since their beloved Java sparrow was attacked by one

I don't know anything about cats
You're right Besides, my family's been dog people for generations

Do you expect me to know everything?
Kiichi!

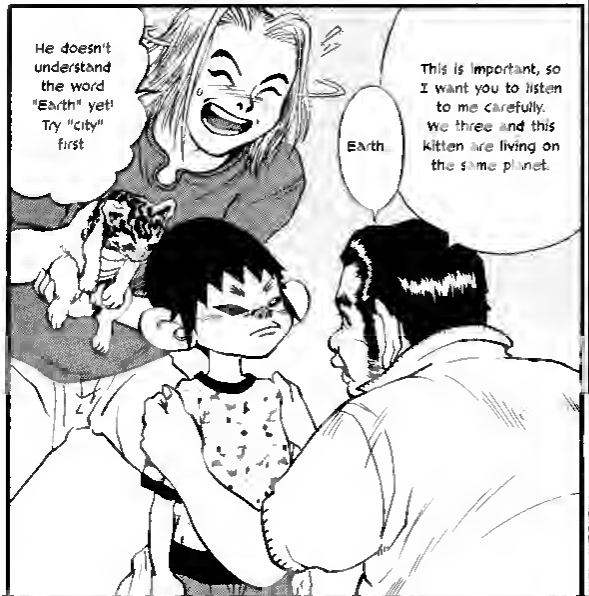
We're not far from home. Should I go get him some milk?

And what will you do *after* you give him milk?



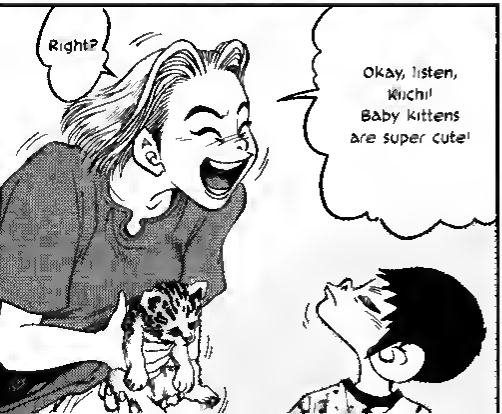
Don't tread on him!

Meoooow!

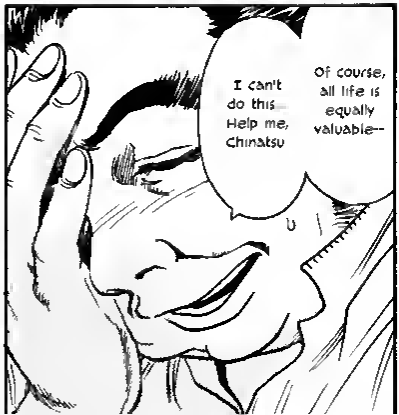


He doesn't understand the word "Earth" yet! Try "city" first
Earth
This is important, so I want you to listen to me carefully. We three and this kitten are living on the same planet.

See when a baby animal is separated from its parents in the jungle
It gets attacked by other animals That's the sad truth
Kiichi, although you get lost a lot yourself, there's always daddy, mommy and other people to find you
But things are a bit different for the animals That's why they mustn't wander off
This cat got separated from his mother
He's now all alone in this city
And there's lots of other cats like him out there
But here's the thing Daddy thinks there's a rule for all the cats that live in the city
A rule that says "You mustn't wander off from your parents"



Right?
Okay, listen, Kiichi! Baby kittens are super cute!



I can't do this... Help me, Chinatsu
Of course, all life is equally valuable--

But you know raising a pet requires *determination*
Yes, determination!
Determination is being ready to care for this cat...
...knowing that it will take a lot of hard work. Can you do that, Kiichi?
You have to take good care of it more than you do with your toys. Do you understand, Kiichi?

shake

...
For example... Well...
For example...
Are you ready to stop playing outside or to throw away all your toys for the cat's sake?
See? *That's* why we can't keep him

Come on, let's go!

It's a little late to be saying that, isn't it?

...we should have handled the situation better.
I still think

That's not what I mean. It's about Kuchi. I'm wondering if this experience was good for him, you know...
As long as he learns that adults have their own commitments, I don't see anything wrong with it
Don't you think it was a great opportunity to teach him about life?
It wasn't about life's meaning, just the simple question whether or not we should take the cat with us.
Besides, you knew damn well that there's no way we could keep him
Voop
Don't talk in that tone!
What's that mean?
Would you rather I say something like "If you want to keep the cat, go live in a house with a garden"?

Chinatsu... Didn't you tell me you couldn't stand the smell of cat droppings in our previous apartment house? It drove you mad
Sorry, I said too much
I said I'm sorry, okay?!
I'm just upset with myself for letting him go without doing anything
I was thinking about taking him home, too. But I was afraid you wouldn't be able to put up with a cat's smell in the apartment
Am I right?

Weren't you the one implying that we couldn't keep the cat because of me?!
So? You saying it was my fault? It was *my fault* that we didn't take the cat with us?

Because I was thinking about you! If we were to keep that cat, most of the burden would fall on you to take care of him!
Why didn't you just insist that we keep him, huh?! Aren't you the man?!
What's done is done. Now quit sniveling!

I thought he was really cute, too!
I wouldn't mind! The kitten was so cute!
But Goro, you told me that when you had dogs...
...you didn't think they were cute as puppies
